EXHIBITION OPTIONS

We offer multiple options for exhibitors

Our sponsors can choose from various exhibition options. Our sponsorship packages include the booths themselves - we build everything for our sponsors. It can be a basic booth or a custom-made booth. Some sponsors decide to build a coffee stand or meeting lounges as part of their booth.

BOOK MEETINGS IN ADVANCE

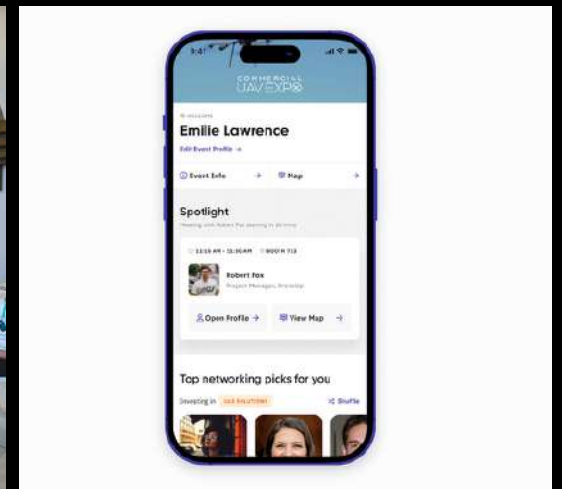

Attendees & sponsors can set up meetings one week before the conference date

Our conference attendees will be able to set up meetings with fellow attendees, in advance, using one of the world's leading meeting & networking platforms.

This advanced platform elevates the whole experience for our attendees as they are able to start booking their meetings at least a week before the conference date.

Our conference sponsors will get additional opportunities to expose their brand and unique offerings to the conference attendees on the meeting platform, on it's web interface and mobile app.

We've helped set up over 220+ meetings in our last annual edition!
